

## CORPORATE SPONSORSHIP

At Quality Care for Children (QCC), our mission is to provide exceptional care and early childhood education for all children. We believe in the power of collaboration and the positive impact businesses can make in nurturing the growth and development of our youngest generation.

Join us in our mission to build a brighter future for children, families, and communities. We offer a range of sponsorship levels, each providing unique opportunities to make a lasting difference in the lives of children while showcasing your commitment to corporate social responsibility.

We need more than luck to help children reach their full potential. Your gift helps us continue to beat the achievement odds for thousands of Georgia's most vulnerable children.

## EARLY START BREAKFAST

If sponsoring the Early Start Breakfast is your thing, we have that option for you! Early Start Breakfast is our signature fundraising event. Each year, Early Start Breakfast brings experts in the field of early childhood education – parents, educators, policymakers, and community stakeholders – to host a conversation on how to make quality early education accessible for all families.
